

Cartoons Enhance Understanding of Disability Culture

Series "DIFFERENT TOGETHER" Part...

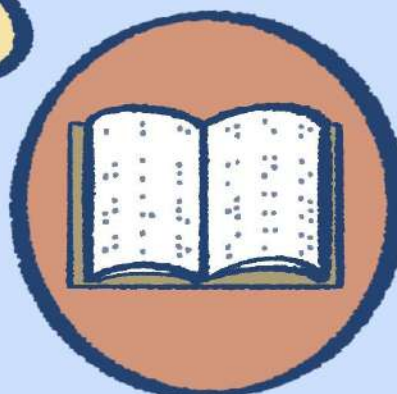

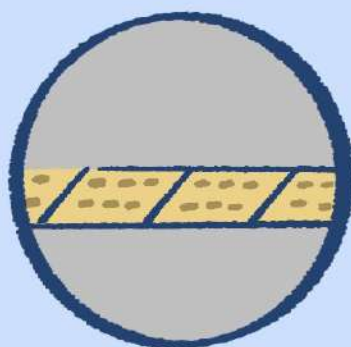

Under the Project of Research and Development of the Disability Culture Cartoons  
with the Participation of Disabilities and all Sectors

Supported by Thai Media Fund

# What do I want?

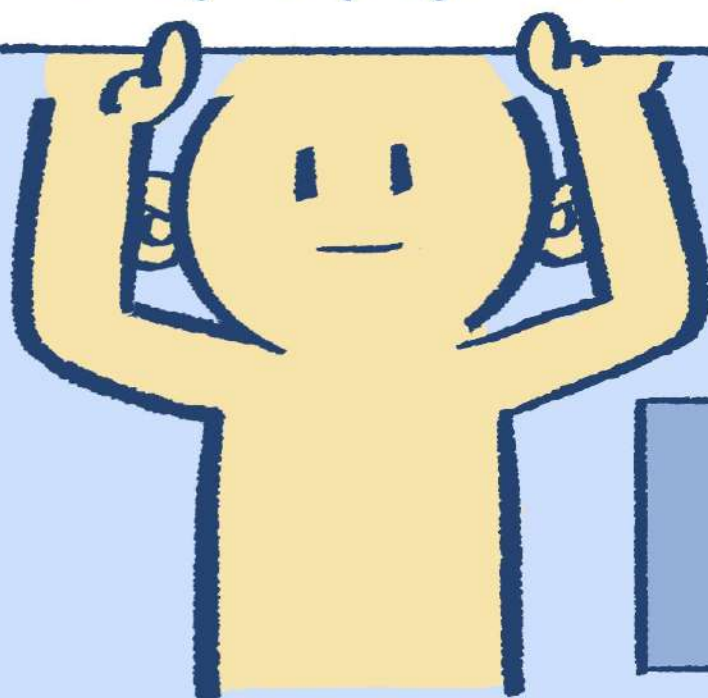

Mainly, it would be about safety.  
Audio signal, braille block on the road,  
audio book, braille book. Many choices of them will be good.

Visually impaired person

We want to communicate  
with others easily.  
We wish all media  
provided sign language or subtitles.

Hearing or interpretive impaired person

We want a good ramp.  
An elevator with a matter-wide door.  
Accessible parking and restrooms.

People with mobility or physical disability

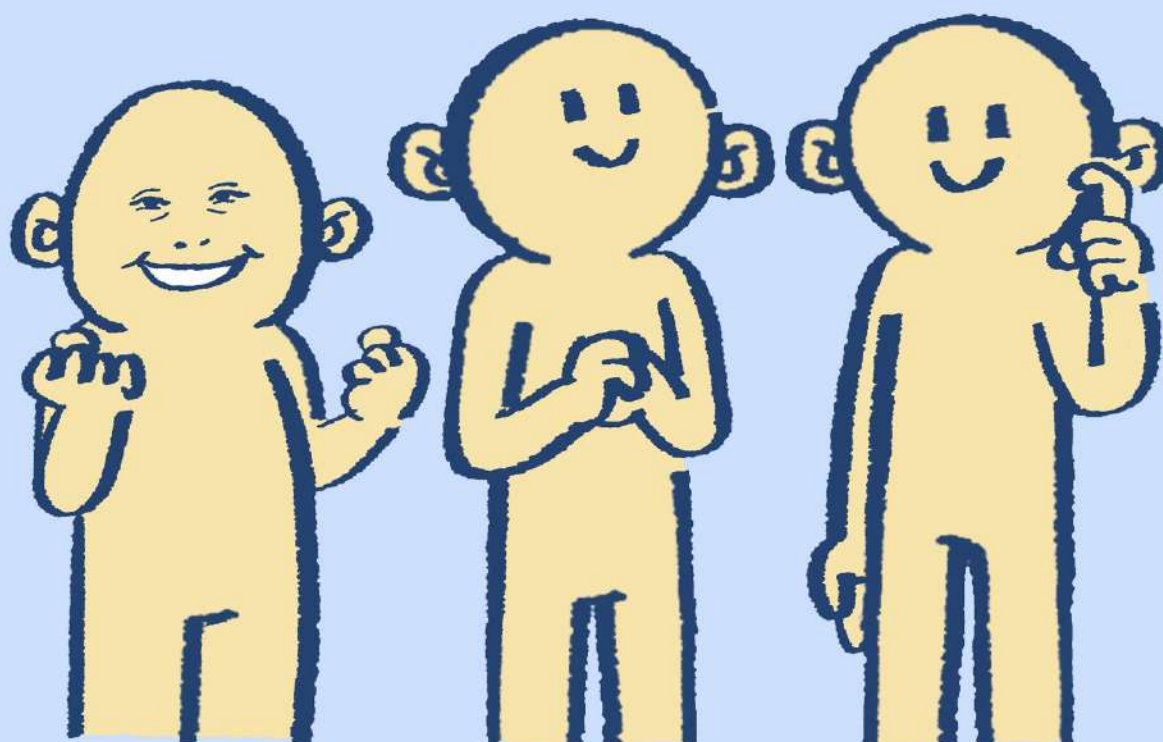

We want to be with kind people  
who don't stigmatize us.  
People who understand how to be with us.

People with mental or behavioral disability

We want you to know  
that we can do things according to our potentials.  
Please let us do something.

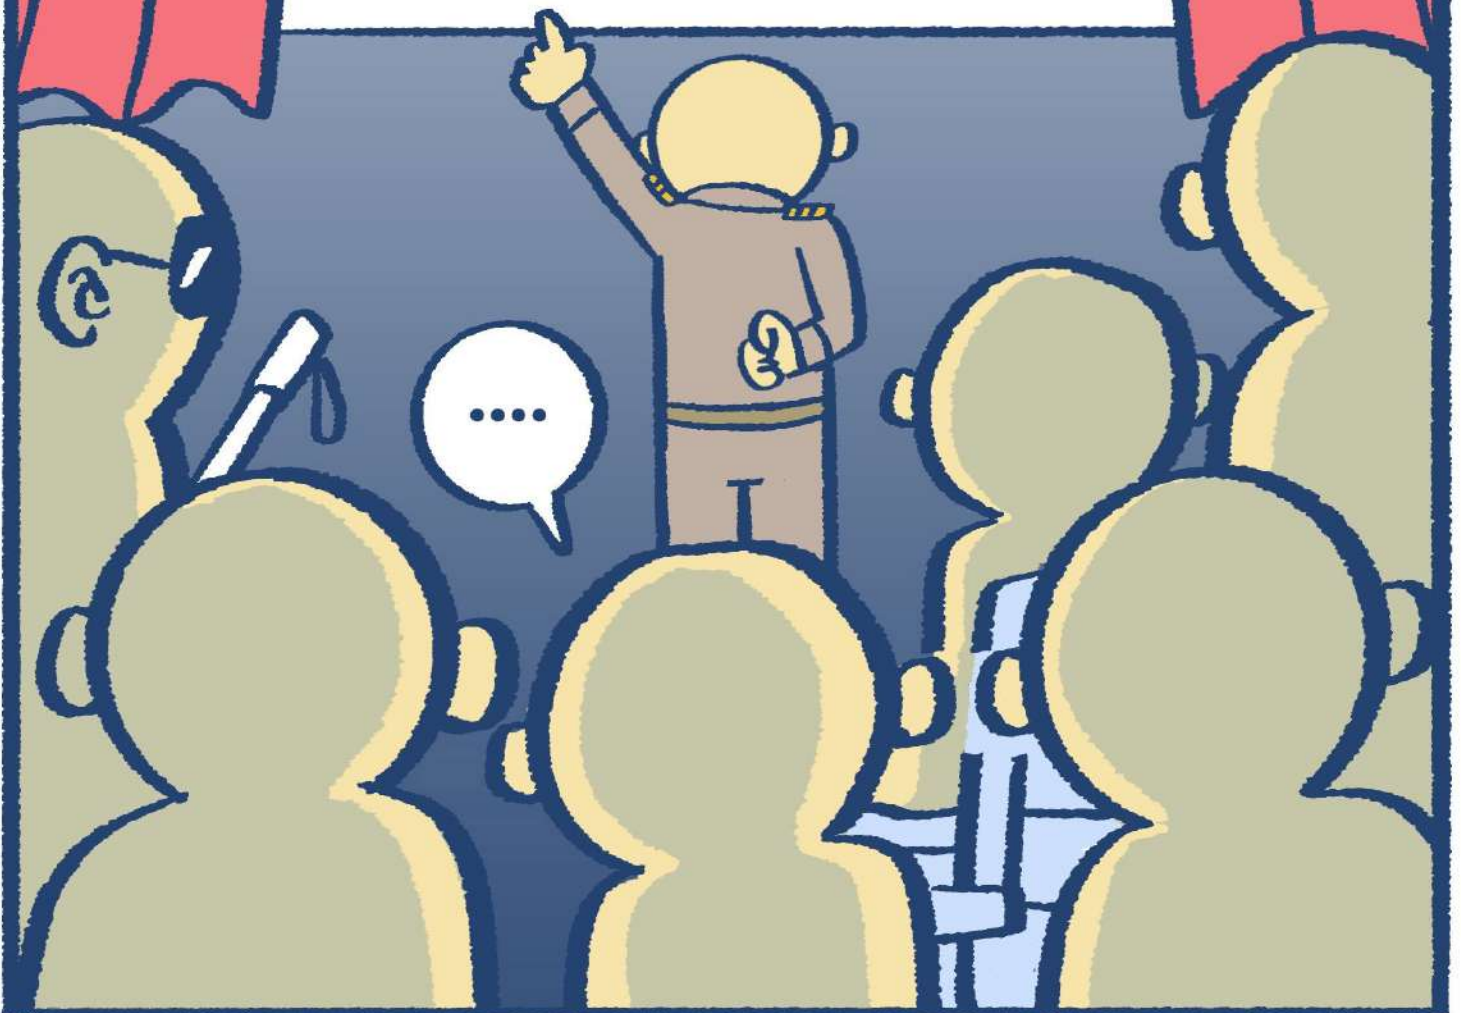

Intellectual - Learning Disability - Autism

We want to live  
in an understanding society  
that provides opportunities.

What We will provide  
for people with disability.  
Subsidy, pressure gauge,  
and adult diapers.

**We ask  
for one thing  
and get  
something else.**

Thai society is kind. Lots of helping hands.  
Caring for people with disability of all types in all aspects.  
All workers are tired and it will be worthwhile  
if the help is consistent  
with the real needs of people with disability.
